Standards and Expectations – Parents and Players

Parents

- Ensure players arrive 10 minutes before scheduled practices and 30 minutes before all games.
- Ensure coaches are informed **in advance** when players will miss or be late to an event.
- If a player misses practice (unexcused) or is otherwise unreliable, it will affect their playing time and position on the team
- Playing time will be "earned"! Some players will play more than others. Specific positions are not guaranteed. The coaches' sons are no different.
- Discussions with the coaches regarding your child's playing time should be done away from the players either at a scheduled meeting time or over the phone. Do not discuss playing time or team issues for a minimum of 24hrs after a game.
- Parents will NOT address the team, players, or officials during games.
- Respect all players, coaches, officials, and fans at all events.
- The primary means of communication will be through EMAIL & our club WEBSITE. Please respond promptly to our emails. Our website address is www.FolsomForce.com.
